Fellowship Program Concentration

- Adult
Crisis/ Assessment
- Youth
Crisis/Assessment

Statement of Interest

Please attach an essay of no more than one (1) page telling us of your interest in the fellowship program and what you think you would gain from the educational and clinical experience.

Clinical Interests

Tell us about the areas of interest that you have in practicing clinically. Describe how these interests make you a good fit for practice in a crisis setting.

Special Skills, Qualifications, and Knowledge

Summarize special skills and qualifications you have acquired from employment, clinical internship, previous volunteer work, or through other activities. Be sure to include any personal characteristics that speak to your fit for the crisis environment.

Previous Clinical Experience

Summarize your previous clinical experience.

Areas of Development

Define the clinical areas in which you would like to develop further (i.e., current areas of clinical weakness, etc.).
